Principal Vacancy

Laconia High School

The Laconia School District is seeking applicants for the position of High School Principal.

We are looking for an innovative and community-minded instructional leader experienced in collaborative, secondary school leadership to become part of our team. Candidates must possess an understanding of school management, supervision and effective communication.

The staff at Laconia High School have done extensive work in inquiry-based learning, personalization, performance assessments, multi-tiered systems of support, extended learning opportunities (ELOs), and four-year planning to support multiple pathways for students.

Laconia High School is located in the heart of the Lakes Region of New Hampshire in a single-board district. There are approximately 550 students at LHS that are served by an outstanding administrative team and staff. Along with the high school, the Laconia School District includes three elementary schools, a middle school, a regional career & technical center that receives six sending schools, and an adult education program.

- New Hampshire Principal certification or eligibility required
- Competitive salary and benefit package

Interviews will begin March 2, 2020, with the position starting July 1st, 2020

Please send letter of intent, resume, certification & three letters of reference to:
